Thanks, Charlene –

The only other thing I need from you is a mailing address. We generally submit documents electronically in .pdf format, but the system still requires an address be entered in order to log the request into the tracking system.

I married into the name Albano, and most of my husband's relations are in Chicago – but it's an uncommon name, so it's possible!

Subject: Records Request Johns Refinery

Emily,
Thank you for your guidance. Here is what I need:

EPA ID#: 110017445120
Site Name: Johns Refinery, formerly known as Super Refined Oil Co.
Address: 915 E. 21st Street
City: Wichita
County: Sedgwick
State: Kansas
Region: 7
CERCLIS: KSD980852628

Document and data sought: Report of Groundwater Investigation,
6/27/84.

Site Inspection Report states the "site number 000010189"

So, I need to have any data, documents, reports and any other information about the groundwater testing and results at the Johns' Refinery Superfund Site #P6.

Thank you very much for your assistance.
Charlene Kass

p.s. Back in the days of the dinosaurs, when I was a young lawyer volunteering with the Missouri Bar, there was a young lawyer named Michael Albano - from Independence? - any relation?
